

Idea	Team	Status	Coach(es)	Museums	Comments
<i>Baby Chicks</i>	B,E,M	Go	Panos	MSI	SciTech possibly interested in use for HS classes. Interest in the gene expression angle using multiple-limbed animals.
<i>Electricity</i>	B,E,M	Wait	Panos	SciTech	Carina is enthusiastic and has some examples and thoughts.
<i>Greenhouse</i>	A	Research	Panos	SciTech	Needs research and to be demonstrated in the <i>lab</i> before proceeding.
<i>Podcasting</i>	C,Y,P	Go	Jim/Brenda	MSI	MSI has possible need in new DaVinci exhibition.
<i>Who Glows</i>	A,A,G	Go	Panos	SciTech/MSI	Very positive response. Carina has ideas about connectionis to luminous creatures.
<i>Polymers</i>	A,A,G	Wait	Panos	MSI/SciTech	Positive from both museums for the Nylon, especially.
<i>Visible Sound</i>	K,N,T,S	Go	Brenda/Jim	SciTech	Very Challenging, but SciTech is interested.
<i>Star Games</i>	K,N,T,S	Go	Brenda/Jim	SciTech	"
<i>Viz. Illusions</i>	B,S	Hold	Panos	MSI	SciTech has Illusions. If time, then it might be worth researching brain-science connection.

Upcoming five Weeks: (Primary focus is to get projects at least through prototype stage.)

1. Meet as group on Fridays, generally, though maybe for not as long on average.
2. Upfront Evaluation Review Presentations on 2/17.
3. Will visit Sci Tech this quarter
4. Will visit Shedd Aquarium on the 24th. Waiting to confirm
