# Bubbe Race

# Get off to a quick start!

Move the Pump as fast as you can!

What size Bubbles are coming out?

# Let the Race Begin!

Find a friend and chose a bubble pump

#### Way to Go!

Why are larger Bubbles faster?

The pump adds air to each bubble

The more air in a bubble, the faster the bubble rises.

## Give your arm a rest!

Slow down the pumping action

Now how big are your Bubbles?

## Sprint to the Finish!

What size Bubble is faster?

Use what you've learned to win!
